

THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Mr. Russell Ash
413 Tennessee Avenue
Alexandria, Virginia 22305

Dear Russ:

Thank you for your nice note concerning my appointment as DDCI. As your note indicates, it will cut into my tennis time, but I will do the very best I can to insure that the important work of the Agency and the essential nature of tennis find time for one another.

All the best to you.

Faithfully yours,

E. H. Knoche
